

UTILITY

MULTI-PURPOSE HARNESS

HUS0017

The Utility is a simple, effective and reliable harness for the trades person that carries out occasional fall arrest work.

Weighing as little as 1100 grams this full-body harness features front and rear fall arrest attachment points; including a dorsal extension with Velcro stowage, and front quick connect buckles on the legs and chest.

With durable non-slip polyester webbing construction for a secure fit, the Utility harness is ideal for general construction, roofing and general industrial applications.
